Children are Welcome!

Hilltop is a non-profit, parent participation preschool where both parents and children learn and play together. Under the guidance of qualified early childhood educators, the child's inherent desire to learn is nurtured. Our curriculum addresses children's social and emotional development as well as their growth. Hilltop kids learn to live fully, joyfully and ultimately become self-motivated problem solvers with an abiding curiosity about the world.

- Hilltop offers flexible days and varying levels of parent participation to fit your family's needs and budget.
- Hilltop also offers a 4-day or 5-day non-participation Pre-Kindergarten program.
- Curriculum in all programs includes indoor and outdoor activities, field trips, gardening and nature exploration, creative art, dramatic play, language enrichment, story time, water play, and music and movement through the Music Together™ Preschool program.
